

HEART & HOME

JANUARY '26

PURPOSE We want to help parents and kids create Jesus-sustained Hearts so that when families leave church, it can be the same at Home.

VOLUNTEER BLURB

Hi! My name is Rich. I have been a Journey Group 2 teacher for a few years now. I enjoy helping students grow in the wisdom and knowledge of God. This age group is near to my heart, as I believe this is the time when good study habits can start to really become a part of a child's life.

My wife and I have 4 children of our own, 3 dogs, and 4 chickens. I work full time as a horticulturist for Nebraska Game and Parks. I grew up on a farm in Nickerson, Nebraska and am thankful that God has led us to live near and serve with F Street Neighborhood Church

MEMORY VERSE DEVO

The musical definition of the word **harmony** is the combination of musical notes played at the same time to produce a pleasing effect. This month's memory verse encourages us, the church, to live our lives in this way. How can we live among and with each other in ways that make a pleasing effect to God and the world around us? I think of other things that the Bible teaches us, that might help us to live in harmony. When we love each other, show kindness, forgive each other for our mistakes, and offer encouragement in life, it seems to me like that is how we can live out this month's Bible verse. Let's all do our best to create the harmony that God created us to make!
